Gathering of Champions

The Gathering of Champions is an annual student recognition event held at the Mall of America the first Friday in August. This year the Gathering of Champions celebrates 32 years of recognizing more than 50,000 students statewide.

Students are selected each year as Academic All-Stars by their schools with the recommended selection criteria including: students who are consistent top academic performers; students who have shown significant improvement in achievement or have overcome barriers to academic achievement; and/or students who are local, regional or state champions in a Minnesota Academic League Council approved event.
